

Delicate Motorized screen

Convenient and fashion

The outer square case is stylish.

The brackets give users the option of wall mount, ceiling mount, or installation directly onto the wall or ceiling.

This model is a perfect fit for various education and government facilities.

Control Options

Classic Series motorized screens come standard with a 3-way in-line switch.

Optional remote control systems or 12V trigger are also available.

For detailed information, please refer to "Control Systems".

Custom size

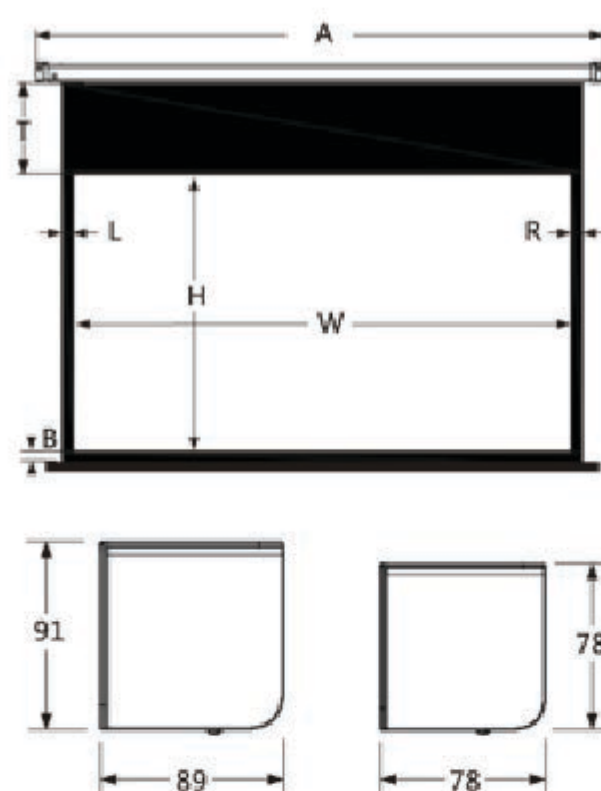

Screen fabric has a black border all around.

Standard large upper black drop for format at 16:9 and 2.35:1.

Customer-required format or black border is acceptable.

Screen selection

Matte White , High Contrast Grey , Beperformer 1.5 , High Gain. Super Gain 3.5.
